

PRODUCT UPDATE

- Do not attempt to modify or add snap ring grooves as this will cause the shock absorber to leak. PRO will not warranty any shocks with added or modified grooves.
- WB-BK series ring grooves are designed to fit PRO snap ring part number C305 and coil-over tube part number C301WB. If you wish to purchase a complete coil-over kit please order part number C300WB for 2.5" or C327WB for 5" springs.
